**Re-enrollment Now Open** – Online re-enrollment is now called “**Annual Student Information Review**”. There have been a few changes to the online enrollment for [returning students](#). Parents will initially see **only one form**, the “**Annual Student Information Review**”. Based on the responses provided in that form, the system will determine which additional forms the parent needs to complete. Returning students will still be required to complete 1) Health History, 2) Medical Authorization, and 3) Agreements. This redesigned process will eliminate forms where no changes are needed which will save time for parents.

**NOTE:** The enrollment process for [brand new students](#) entering the system for the first time will remain unchanged.
