NEBRASKA SMART - (Success Made Accessible through Rural Tutoring) is a free virtual tutoring program for K-12 students who attend any Nebraska school. Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students through an online tutoring platform. Nebraska SMART was established by the Nebraska State College System in partnership with the Nebraska Department of Education, which awarded an Innovation Grant to the State Colleges to develop a rural tutoring program. Chadron State College, Peru State College, and Wayne State College collaboratively offer this free online tutoring program to K-12 students in Nebraska.

St. Peter Catholic School has registered for access but is available for all parents to utilize. More details will be shared as they come available. To learn more, visit <https://www.nscs.edu/nebraskasmart>
