## DECLINE TO SIGN

Recently passed LB753, the *Opportunity Scholarships Act*, helps to insure that our state’s most vulnerable and financially challenged students have educational choices other than government schools. It has great potential to help students from St. Peter Parish who wish to have educational choice. However, within hours of the signing of that bill by the Governor, the powerful government school teacher’s union, the NSEA, began a petition effort to repeal the law by referendum. The NSEA claims that the Opportunity Scholarship Act will “hurt” government schools, which is false. Studies show that “school choice programs improve academic outcomes for not only the program participants, but also the students in public schools; save taxpayers money; and reduce racial segregation.” Arguments against school choice have consistently been rooted in falsehood, deliberate misinformation or an attempt to smear non-public schools, such as Catholic schools. For more information, see the column by Tom Venzor, JD, Executive Director of the Nebraska Catholic Conference, in the June 23, 2023 edition of the *Southern Nebraska Register*. If asked to sign the NSEA petition, I pray that you will kindly, and politely, **DECLINE TO SIGN**.  
Fr. Eric Clark
